

# Spring Women's Retreat at Mount Hermon

March 23-25, 2012

Against the backdrop of evergreen, cherry blossoms, dogwoods and azaleas announcing the coming of new life, we are excited to offer a Women's Retreat at the Mount Hermon Conference Center. A fun aspect of this retreat is that we will be joining women from other churches.

**Libby Vincent**, one of our favorite women's group speakers, is the keynote speaker for this retreat. Libby has always had a vision for communicating with others in a clear and life changing way. This desire came to fruition during her college years at UCLA where she began to follow Jesus and nurture her enthusiasm for making faith come alive in a genuine and authentic way. Her pursuit to fulfill those desires took her to Fuller Theological Seminary and then on to the University of Edinburgh for her PhD. Libby currently resides in the Sacramento area and teaches as an adjunct professor at Fuller Seminary in Northern California in the area of Systematic Theology and Theology & Film. She travels extensively speaking at conferences and encouraging others on their faith journey. Her struggle of having a child with autism has made her particularly passionate in helping people integrate the truths of the Christian faith with the realities of life.

There will also be a number of topical seminar options to choose from and an afternoon of free time to enjoy the beauty of Mount Hermon and a variety of recreation options including ocean kayaking and the Mount Hermon adventure facilities. Join us!
